Felsenberg GG „Felsentürmchen“

Riesling dry

Grosses Gewächs (“great growth”)

BARREL-NR. 1885

The best steep parcels around our Felsentürmchen in the midst of the magnificent Schlossböckelheim Felsenberg site. Outstanding Riesling terroir with a soil of red volcanic igneous rock, a melange of porphyry and melaphyr.

Age of vines 25 - 35 years

Yields ca. 40 hl/ha

100% selective hand harvest

Fermented and matured in stainless steel vats and classic oak barrels.

A great dry Riesling, very complex, displaying great, smoky crystallised minerality with a flinty character – unmistakably Felsenberg.

Alc. 13% Vol.
